The changes in Terms and Conditions require players to consent to their agreement with the updated terms of service. If no consent has been provided, the players are warranted to receive the outstanding account balance. The above rule prevails over the Payments Policy and the Refund Policy at all times unless explicitly specified otherwise.

The current English version of these Terms and Conditions prevails over the other editions and translations. During any dispute related to thereof, the current English version of the Terms and Conditions takes precedence. The Terms and Conditions retain their validity even if any of the terms or conditions stated above or below would be declared void in a court of law.

- to cancel all wagers or bets accepted containing such an error, effectively reverting the account to the prior state in full;
- to correct the mistake by re-settling all the wagers or bets at the correct terms that should have been available at the time that the wager or bet was placed in the absence of the error;

If the Casino mistakenly credits Your account with a payment, bonus or bonus funds or winnings that do not belong to you, whether due to a technical issue, error in the paytables, human error, or otherwise, the amount and/or the winnings from such bonus or deposit will remain the Casino property and will be voided. In case of the withdrawn funds that do not belong to you before We become aware of the error, the mistakenly paid amount will (without prejudice to other remedies and actions that may be available at law) constitute a debt owed by you to us. You are obliged to notify the Casino of any event of incorrect crediting within 24 hours from the event by email.

Furthermore, neither the Casino nor its management, employees, partners, or service providers guarantee that the software or the Website will meet all purposes, be error-free, or maintain uninterrupted accessibility.
